

# Worldwide Prayer Guide

Join in prayer for the ministry of OneHope around the world, including urgent needs that are happening right now! You are serving the mission of *God's Word. Every Child.* through intercession.

# Asia

Many children in Asia Pacific are growing up in Buddhist, Muslim, or Hindu contexts. Pray that the children who receive OneHope Scripture resources through local churches come to know their loving Savior, Jesus.

**Limited Access Nation:** *Our World Without Sickness* program teaches stories from Scripture while instructing children in proper hygiene techniques. Pray children will stay healthy physically and learn that they can be made a new creation in Christ.

# Asia

**Japan:** Partners are hosting online Sunday School during the pandemic using OneHope resources. Pray this digital form of ministry continues to expand to more children and families.

**Philippines:** Volunteers packaged relief goods and included the *Bible App for Kids Book of Hope* for the children. Pray the next generation will find hope for a better tomorrow in the Word of

# Africa

Our partners are finding creative ways to share the Gospel during this unique season. Children standing on distanced balconies were singing praise songs together at one outreach event. Pray the creativity and fresh ideas for ministry would continue in the weeks and months to come as more children are in need of the Good News.

The *Lead Today* program, created in partnership with Dr. John C. Maxwell and his organization EQUIP, teaches leadership principles based on biblical truth. This program is used around the world but was first launched in Africa. Pray that children will grow to be influencers for the Kingdom of God.

# Africa

Some ministry partners are sharing God's Word in countries where there is severe persecution against Christians. Pray for peace and protection over OneHope ministry partners and the Church in Africa.

**South Africa:** 40,000 copies of the *Book of Hope* were distributed in care packages to families in need. Pray God's Word will be the source of hope they need to get through this challenging time.

# Europe

Pray for countries in Europe, like Spain and Italy, that have been impacted by the pandemic. Pray the Church will be a source of light and hope during these difficult times.

Pray the next generation would turn to the Word of God when they are searching for truth and answers to life's questions.

**Estonia:** The *Bible App for Kids Book of Hope* is being given out in Kohtla-Jarve, Estonia, as part of a church's home-to-home ministry within the country. Pray for God's Word to saturate the hearts of the children who receive the *Book of Hope*.

# South America

Pray more churches would prioritize children and youth ministry and be active participants in reaching out to their communities. Children are the future of the global Church, and it is vital to disciple them.

**Bolivia:** The *Book of Hope* is being distributed in care packages to children. Pray these specific outreaches would lead to long-lasting connections between the families and the Church. Pray the children would be strengthened and encouraged through the Word of God and that they would know God never leaves or forsakes them.

# South America

**Venezuela:** Our teams are preparing for the future by taking intentional time to train and focus on new initiatives. Pray they will be strengthened and equipped during this time for even more robust ministry in the future.

**Brazil:** OneHope partners are sharing hope from God's Word with children and families in remote communities that are often forgotten about by the rest of society. Pray for the children in these villages to experience God in a way where they want to follow Him forever.

# North America

Feed is an initiative that engages Gen Z with honest conversations around biblical truth. Pastors in North America are using the resources to connect with teens. Pray that the next generation will seek the Lord above all else and dive into the Word.

YouVersion and OneHope partnered to create the *Kids Bible Experience* on the Bible app. Pray pre-teen kids discover their own daily rhythm of seeking God.

# North America

Pray that teens today would use their influence to promote peace and principles from God's Word, especially on social media, where many interact with each other.

# Middle East

*What if it's True?* is a digital program sharing Scripture through online platforms. Pray for our ministry partners sharing about God and His Word through this outreach in countries in the Middle East.

Pray for more ministry opportunities in the Middle East that grow the Christian Church and point the next generation to Christ.

# Oceania

**Fiji and the Islands:** Our partners are training church leaders online to use OneHope Scripture resources. The churches will be ready to distribute the materials when it is safe to do again. Pray the trainings would go smoothly, and pray for the children who will receive the Scripture programs.
